Testing of Mail from Latvia

REFERENCE: Memo to Chief, TSS dated 31 Mar 53

1. The enclosures, consisting of one letter with envelope and one post card, along with your communication referenced above, have been received by the SAD Laboratory and have been tested for S/W in accordance with your instructions. There was no evidence of S/W at all on any of the items.
2. In accordance with paragraph 3 of your letter, these items have been passed on to Mr. E. J. for his retention since he has an immediate interest in Latvian stationery.
3. Thank you very much for submitting these samples to TSS for examination.
